

2012 Hi-Tech Summer Camp

Schedule and Enrollment Form

Full Day Camp (Entering Grades 3–10)

Entering Grades 3–8: Campers benefit by participating in all three IMACS summer academic programs: Logic Puzzles, Computer Programming & Virtual Robotics, and Electronics. Campers are totally immersed in fun-filled academic pursuits such as playing strategic logic games, designing and building electronic devices, and programming computers. (See the next page for course descriptions.)

Entering Grades 9–10: Students will have the tremendous benefit of studying three IMACS courses: Computer Science, Logic for Mathematics, and Electronics. This is an intellectually stimulating program for outstanding students. An aptitude test is required to properly place your child. Call IMACS to schedule an appointment.

Time: The Full Day camp is 9:15 – 4:15. Early drop-off for full day campers begins at 8:00am at no additional charge. Lunch is 11:15 – 12:00. There are small breaks within each class and between classes.

Cost: 1 week Early Tuition Price: \$480.60 (if paid in full before April 2, 2012); Regular Price: \$534.
Additional weeks Early Tuition Price: \$390.60 (if paid in full before April 2, 2012); Regular Price: \$434.

Individual Classes (Entering Grades 1–12)

Campers may enroll in individual classes. Each class meets Monday through Friday for two hours each day (except for campers entering grades 1 or 2). See the next page for more details.

- ✓ Each session is one week in length. Classes are Monday through Friday.
- ✓ You choose the weeks you want. They do not need to be consecutive. New campers are welcome each week.
- ✓ No registration fee. No supply fee.
- ✓ A Full Day camper should bring lunch in a cold pack. Snacks and drinks are available for \$0.75 each.
- ✓ For campers starting at 9:15, early drop off is available from 8:00 to 9:15 at no charge. (For information on late pick-up, see the next page.)

Discounts

- ✓ *Early Tuition Price* (10% off of the regular price): for all balances paid in full by April 2, 2012.
- ✓ *Multiple Class Discount* (10% off the lower class price): for a camper enrolled in more than one individual class in the same week.
- ✓ *Sibling Discount* (10% off the lower price): for a family that enrolls more than one child in the same session.

Available Sessions (Sessions are one week in length. Nine sessions are available.)

Weston

#1: June 11 – 15
#2: June 18 – 22
#3: June 25 – 29

Coconut Creek

#1: June 11 – 15
#2: June 18 – 22
#3: June 25 – 29
#4: July 9 – 13
#5: July 16 – 20
#6: July 23 – 27

Plantation

#5: July 16 – 20
#6: July 23 – 27
#7: July 30 – Aug. 3
#8: Aug. 6 – 10
#9: Aug. 13 – 17

Registration

- Fill out the information on the inside of this form.
- Read and sign the back page (and initial the section on the camp refund policy).
- Mail this form, along with a non-refundable deposit (\$100 per Full Day session; \$75 per individual class per session) to: IMACS, 7435 NW 4th Street, Plantation, FL 33317

Summer Camp 2012: Individual Class Descriptions

Logic Puzzles (Entering Grades 1–8)

[Course Code: LP]

Entering Grades 1–2: Games! Puzzles! Fun! (But don't tell your kids that they are learning how to reason and are developing a love of mathematical thinking.)

Entering Grades 3–8: Mysteries of pure logic are presented in fun, compelling stories. Painstakingly designed, this class leads campers from elementary deductive reasoning to skills that exceed those of most college graduates! Team logic games, exciting tournaments, and, as in every IMACS class, new challenges each week!

Time: Grades 1–2: 4:30pm – 5:30pm
Grades 3–4: 9:15am – 11:15am
Grades 5–6: 2:15pm – 4:15pm
Grades 7–8: 12:00pm – 2:00pm

Cost: Grades 1–2 Early Tuition Price: \$89.10 (if paid in full before April 2, 2012); Regular Price: \$99.
Grades 3–8 Early Tuition Price: \$192.60 (if paid in full before April 2, 2012); Regular Price: \$214.

Computer Programming & Virtual Robotics (Entering Grades 3–9)

[Course Code: CE]

Campers don't merely use the computer in this course. They write computer programs! Using the programming language LOGO, developed at MIT, campers are challenged by projects designed by the IMACS Curriculum Development Group. With individualized guidance, campers develop basic programming and problem-solving skills. Campers can also apply these skills in the IMACS Virtual Robotics Lab, where programmable, configurable robots exist in a virtual world that contains the physical realities of friction, acceleration, and conservation of momentum. Campers showcase their triumphs on their personalized IMACS web pages.

Time: Four time slots available: 9:15am – 11:15am; 12:00pm – 2:00pm; 2:15pm – 4:15pm; 4:15pm – 6:15pm

Cost: Early Tuition Price: \$219.60 (if paid in full before April 2, 2012); Regular Price: \$244.

Electronics (Entering Grades 3–10)

[Course Code: EE]

These classes introduce campers to the fascinating world of electronics. Campers learn about electrical components such as resistors, diodes, LEDs, capacitors, transistors and integrated circuits and use them to design and construct fun projects. Courses are tailored according to age and ability so that each camper is able to advance as far as his or her interests and abilities allow. Campers may keep the electronic devices that they build.

Time: Three time slots available: 9:15am – 11:15am; 12:00pm – 2:00pm; 2:15pm – 4:15pm

Cost: Early Tuition Price: \$246.60 (if paid in full before April 2, 2012); Regular Price: \$274.

Computer Science (Entering Grades 7–12)

[Course Code: CS]

Students pursue an academic, university-level computer science course. The IMACS curriculum has been used in prestigious programs such as Duke University's Talent Identification Program and Johns Hopkins University's Center for Talented Youth. Students work with interactive tools available only at IMACS and are taught by highly qualified and trained professionals. This class goes well beyond a traditional introductory course, introducing advanced concepts such as recursion, functional programming, object-oriented programming, and artificial intelligence. Contact IMACS to find out if this class is appropriate for your child.

Time: Four time slots available: 9:15am – 11:15am; 12:00pm – 2:00pm; 2:15pm – 4:15pm; 4:15pm – 6:15pm

Cost: Early Tuition Price: \$246.60 (if paid in full before April 2, 2012); Regular Price: \$274.

Logic for Mathematics (Entering Grades 8–12)

[Course Code: LM]

Logic for Mathematics is an unparalleled course in pure mathematical logic. Designed for the most talented secondary school students, it is the envy of university mathematics courses everywhere! This multimedia class improves upon our world-renowned Elements of Mathematics curriculum. Contact IMACS to find out if this class is appropriate for your child.

Time: Four time slots available: 9:15am – 11:15am; 12:00pm – 2:00pm; 2:15pm – 4:15pm; 4:15pm – 6:15pm

Cost: Early Tuition Price: \$246.60 (if paid in full before April 2, 2012); Regular Price: \$274.

Summer Camp 2012: Aftercare

Full day campers attend IMACS from 9:15am to 4:15pm. From 4:15pm to 6:00pm, an "aftercare" service is available. The cost is \$10 per day. Parents of a camper not enrolled in aftercare who fail to pick up their child(ren) by 4:30pm will be charged a \$10.00 aftercare fee (for each such day and camper). Any aftercare camper left after 6:15pm will be charged a late fee of \$1.00 per minute. Please see the back page (Policies and Procedures) for additional information. Early drop-off is available from 8:00am to 9:15am (for full day campers) at no additional charge.

Summer Camp 2012: Policies and Procedures

Admissions IMACS accepts campers based on their talents and abilities and does not discriminate on the basis of sex, race, nationality, ethnic origin, or other irrelevant criteria.

Media Release IMACS may take photographs or video of any child participating in summer camp activities, and may use these images for marketing purposes. No compensation will be made for the use of these images.

Tuition, Payments and Refunds Enrollment is on a first-come, first-served basis. Campers must pay a non-refundable deposit to reserve their place. The balance is due before May 10, 2012. If payment in full is not made by this date, camper enrollment may be subject to cancellation at the discretion of the camp director. New registrations after May 9, 2012, must be accompanied by a payment in full. A portion of the tuition (\$100 per full-day session and \$75 per individual program) is a non-refundable deposit and will not be returned for any reason. A full refund less the deposit will be given up until May 10, 2012. After May 10, 2012, tuition is forfeited and may be transferable subject to availability. If camp weeks are cancelled with less than 2 full weeks notice, the weeks will NOT be transferable. If unforeseen conditions, including, but not limited to, hurricanes, power outages, and epidemics, cause IMACS to shut down its summer camp for any length of time, no tuition will be refunded, credited, and transferred.

My initials to the left indicate that I have read and agree to abide by the camp refund policy.

Discounts Early tuition discounts of 10% are available to campers who register and pay the tuition in full before April 2, 2012. Multiple class and sibling discounts of 10% are available for any full day and individual programs within each session. Please see the current enrollment form or tuition schedule for discounted prices.

Conduct and Discipline Campers are expected to conduct themselves in an orderly manner and to treat those working around them with respect. Campers whose behavior is disruptive to the class will be removed from the classroom, and their parents will be notified. The directors reserve the right, at their sole discretion, to withdraw any camper whose influence or actions are deemed unsatisfactory or detrimental to the camp or who will not abide by the camp rules and policies. If this occurs, no reduction or return of fee, or any part thereof, will be made.

Attendance Campers should make every attempt to attend all classes. IMACS does not offer summer make-up classes.

Drop-off and Pickup Upon confirmation of registration, you will be notified of the drop-off and pickup procedures for the location you are attending. It is essential that a parent or other authorized adult pick up campers when classes are over. Parents who fail to pick up their children within fifteen minutes of the end of their individual class are considered late and will be charged a \$10.00 fee (per student per day) unless a previous arrangement has been made with the IMACS staff. In case of emergencies or other situations over which parents have little control, parents should try to telephone IMACS in order to alert the staff. Extended day care ("aftercare") is available until 6:00pm. Parents of full day campers not enrolled in aftercare who fail to pick up their child by 4:30pm will be charged the \$10.00 daily aftercare fee (per student per day). Any aftercare camper left after 6:15pm will be charged a late fee of \$1.00 per minute. When filling out the course selection area, be sure to indicate whether you need to purchase aftercare. *For the safety of their children, parents must advise them to wait inside the IMACS building to be picked up. Parents must then come in to get their children. If an adult other than a parent is to pick up a camper, IMACS staff must be notified prior to the pick-up.*

First Aid & Medications It is the responsibility of parents to provide IMACS with emergency phone numbers and instructions. IMACS staff are not allowed to administer first aid or to dispense over-the-counter medications to any camper without express prior written permission of parents. A first aid kit is available for any camper requiring an antiseptic or Band-Aid. All possible precautions are taken to ensure that the activities at IMACS Summer Camp are conducted in a safe and responsible manner. However, because of the nature of some of the activities, regardless of the high degree of supervision, there is a potential for accidental injury. Parents agree to assume these risks and to release IMACS, its officers, directors, employees and agents from, hold them harmless from and waive any claim against IMACS as to any injury that may occur to their child(ren) while attending IMACS Summer Camp.

Lunch & Snacks Campers should bring lunch in a cold pack. Snacks and drinks are available for purchase at IMACS for \$0.75 each. Campers may also bring their own snacks.

I have read and agree to all of the terms outlined above. (Signature required)
